What is Stevens Institute?

The Stevens Institute of Technology is a private research university based in Hoboken Newjersey. The University focuses on Private Research as it is one of oldest technological Institutes in the nation.

Partnership between Ironhacks & Stevens Institute

In line with Ironhacks planned Fall 2022 hack we have decided to partner with the Stevens Institute of Technology. This partnership provides a unique opportunity for Ironhacks to get more participants to use the platform. Thanks to the support of Dr.Aron and Dr.Jin Ironhacks has been able to better brand itself for the upcoming Fall 2022 Hack. Stevens has played a vital role in helping structure the Fall hack. Apart from connecting Ironhacks with more Contestants Stevens has also helped plan the structure of this year's hack. For this years Hack Ironhacks has put more emphasis on making participants come up with innovative solutions.
